## Reference Letter

Paris, France - October 4th 2018

To whom it may concern:

We at Trinnov Audio have no hesitation in recommending The Needle and Mr Roberto Gamba in particular for the installation, integration and calibration of Trinnov Audio processors.

For several years, Mr Roberto Gamba has consistently proved his professionalism, technical knowledge and deep understanding of our products and keeps on pushing the boundaries of high performance audio.

Trinnov Audio has been working closely with Roberto Gamba, whom we trust for his exceptional abilities and skills in acoustic, room design and audio calibration.

Kind Regards,

Arnaud Laborie, CEO, Trinnov Audio
